USASF Recommended Standards for Judges & Scoring at Sanctioned Competitions

- Required judges' meeting/orientation/training before the start of the competition
- Have a separate Legality Official and deduction judge per panel (it should not be the same person)
- When possible, there should be a separate difficulty and technique judge per category
- 5-minute minimum (6 min recommended) to watch and score routines
- Video playback capability
- Any score changes must be communicated to the scoring judge
- Follow the [USASF Routine Interruption Suggested Guidelines](#) for all sanctioned competitions
- Scheduled meal and restroom breaks for judges
 - Length of break should be considerate of distance/accessibility to restrooms and food. Event Producers should be mindful if a team's performance is delayed, a bio break for the judges is still necessary.
- Access to water and/or refreshments while judging
 - If no food and beverage is provided, Event Producers should communicate that to the judges and the options available.
