

Non-Member Screening

For USASF Event Producers

Event Producers may allow non-USASF member teams classified as **ALL STAR EXHIBITION** or **ALL STAR EVENT TRIAL** to participate in a **USASF Sanctioned Competition**.

Restricted Area Access Requirement

All adults affiliated with a team attending a sanctioned competition who wish to enter restricted areas, including the warm-up room, must receive a clear background screening in JDP Direct Screening Portal for non-members attending a USASF Sanctioned Competition.

Screening cost is \$39.95 per person.

This includes, but is not not limited to:

- **Coaches**
- **Non-Coaching Representatives**
- **Adult Athletes**

This is **NOT** a membership. Event Producers will have access to a list of all screening candidates whose background check is returned as clear.
