The Bid Process

Bids & Eligibility

Event producers must publish bid-awarding procedures prior to the start of their qualifying competition. Bids may be awarded only at approved Dance Worlds qualifying events, and no team shall receive more than one bid or type of bid from the same event. Eligible teams must represent registered and insured All Star dance studios, gyms or clubs competing in USASF and/or IASF Worlds divisions.

Bids are awarded at The Dance Worlds qualifying events. Each event producer that hosts a Worlds bid-qualifying event has the discretion to select the processes by which the bids are awarded.

Partial-Paid Bids

- Partial-paid bid sponsors may award up to a \$5000 maximum per team or \$325 per athlete and two coaches on a bid-winning team.
- Funds are not prize money; they are intended to cover Worlds-related expenses such as registration, lodging and travel. Only athletes competing on the floor are funded; reserves or substitutes are not. Additional costs for substitutions after rosters and travel plans are confirmed are the club's responsibility.

NOTE: If The Dance Worlds is canceled, sponsorship funds must be returned to the event producer. Teams or clubs are responsible for any additional expenses. Event producers are not liable for late registration fees or change fees resulting from team alterations to registration or travel plans.

At-Large Bids

At-large bids are generally awarded to runner-up teams or teams scoring next highest to the paid-bid-winning team(s). Recipients of at-large bids must pay for their own Worlds registration packages and all other related expenses.

USASF Junior Dance Bid Process

Eligibility to Qualify: Any USASF Junior dance team interested in competing in the Junior Division at The Dance Worlds may submit one or more videos to qualify for the event.

Division Changes in 2026: The Junior Division will be divided into three categories: Junior Hip Hop, Junior Jazz and Junior Pom. A team can qualify for all three categories if they meet the qualifications for each.

At-Large Bids: Up to three U.S. teams per category may receive at-large bids in the Junior Division, with a limit of one team per club location per category. This results in a maximum of nine at-large bids awarded to U.S. teams.

More Information: Video qualifications and additional details can be found at TheDanceWorlds.net/junior-dance.

The Bid Process

Accepting a Bid

Once a bid is accepted, all registration materials must be submitted by the deadlines listed on page 25. Registrations and hotel assignments are handled on a first-come, first-served basis. Waiting to register in hopes of earning a different bid at a later qualifier could result in a team not securing its preferred hotel..

USASF Teams

- Before the event, the event producer will ask whether a team intends to accept a Worlds bid and, if awarded, which type (at-large, partial-paid, or full-paid).
- If a bid is awarded, it will automatically show as **accepted** on the Club's member account dashboard **within 72 hours** of the event's completion. No further action is required by the team to confirm acceptance.
- Once a bid is accepted, all registration materials must be submitted by the deadlines listed on page 25.

IASF Teams

To accept, the club must return the *Bid Winners Acceptance Form* or give verbal approval to the sponsoring event producer **within 72 hours** of the final day of the bid-receiving event. Bids not accepted or declined by the deadline may be transferred to another team at the sponsoring event producer's discretion. At-large bids cannot be transferred more than 96 hours after the final day of the qualifying event.

Declining a Bid to Compete for Another

- A team may accept only one bid for The Dance Worlds in a specific division.
- Upgrading a bid (e.g., from at-large to partial-paid): **No formal declination required.**
- Pursuing a similar bid (e.g., at-large to at-large, partial-paid to partial-paid): The original bid **must be declined by 11 p.m. EST** on the Friday before the next bid event. See instructions below.

How to Decline a Bid

USASF Teams

1. Log in to your USASF club account at usasfmembers.net.
2. On the profile dashboard, click DECLINE next to the awarded Worlds bid.
3. If the bid is not declined by the deadline, the team becomes ineligible to compete for a new bid.

IASF Teams

1. Write to the sponsoring event producer and
2. Email the IASF Director, Marcy Kuzemchak, marcy@iasfworlds.com.

Bid Requirements & Limitations

Teams that receive and accept a Worlds bid must compete at The Dance Worlds in the same division and category as they did at the qualifying event.

Team Size Requirements

1. The number of athletes competing on any team at Worlds cannot exceed the number of athletes who participated in the qualifying event.
2. For categories with both Small and Large divisions, teams must meet the minimum size requirements for their qualified division. Failure to do so will result in a 5.0-point penalty to the final score.
3. If a team uses alternates to meet the division size requirements but still does not meet the minimum, a 3.0-point penalty will be applied. Alternate athletes used to fulfill size requirements must actively participate in the routine. See page 5 for full size requirements.
4. **NEW:** Dancers must participate in the performance to be counted toward the athlete head count. Dancers may not bug on stage.
5. Both male and female dancers must perform in order for a routine to be considered Coed. Dancers who make up a coed composition must be rostered AND take the competition floor. Failure to meet this requirement will result in a deduction

Athlete Bid Limitations

1. Athletes may not compete in more than one routine in the same category and division. For example: an athlete may not compete in two Senior Small Jazz routines, but may compete in a Senior Small Jazz routine and a Senior Large Jazz routine.
2. An athlete may perform up to five times and must represent the same club.

Substitutes, Alternates, Reserves & Crossovers

Rostered Athletes

The roster size must match the number of athletes on the floor when the bid was earned, and it cannot be increased thereafter. The club may replace original team members with substitutes and wild card alternates, provided they adhere to these guidelines without exceeding the original team size.

On a Worlds roster, each athlete's name must be identified as either an original athlete of the team that was on the floor when the bid was received, a substitute or an alternate. All names on the team roster will be verified by the event producer who awarded the Worlds bid.

Original Team Members

Original team members are athletes that were on the floor AND included on the official team roster associated with the event where the bid was awarded.

Substitutes

A team may substitute up to 20 percent of the athletes per team for The Dance Worlds. A substitute must be a regular, paid athlete from another team from the same club and must have competed on the floor for that club at the same event where the bid was awarded. All substitutes must meet the same eligibility requirements as the original team that received the bid.

NOTE: Percentages may be rounded up. For example: 20 percent of a team with 13 athletes is 2.6, which may be rounded up to three substitutes.

Wild Card Alternates

Of the (up to) 20 percent possible substitutes, up to three of that 20 percent may be alternates. Alternates are registered members from the same team's club. Alternates do not have to be rostered or in attendance at the Worlds bid-qualifying event where the bid was received.

Crossovers

Crossovers of athletes between dance clubs are NOT permitted at The Dance Worlds. Crossovers between The Dance Worlds and The Cheerleading Worlds are not permitted. The costs specified for hotel and commuter packages shown on page 22 include the competition fees for an athlete's first three routines. An additional fee of \$100 per routine per person will be applied for the fourth and fifth routines.

Reserves

- Alternates, substitutes and reserves on a roster will be considered a potential participant of The Dance Worlds and must pay the registration fee by the time the roster is verified.
- If, for any reason, a substitute is needed to replace an active athlete on a team roster, ONLY an athlete listed as a reserve athlete on the respective team's official Worlds roster may be used for that substitution.
- An individual attending Worlds exclusively as a reserve athlete may be included on more than one team roster within the same club.
- The club must notify a Worlds official of an athlete replacement (moving athlete from reserve to active) prior to the team and the athlete taking the floor.
- Please allow adequate time for a Worlds official to verify eligibility.

Rules & Regulations 2026

I. General Event and Competition Guidelines

- A. The competition is scheduled to be held at the Disney's Coronado Springs Resort Convention Center.
- B. The competition officials shall have the right to alter the time and location of the competition in the event changes become necessary due to inclement weather, facility problems, video production requirements, or any other situation deemed by the competition officials to be essential to the successful execution of the competition.
- C. Athletes at The Dance Worlds may not perform more than five times and must represent the same club. Athletes may not compete in more than one routine in the same category and division. Example: A dancer may not compete in two Senior Small Jazz routines.
- D. Teams may not use Walt Disney World® themes, nor may they have costumes that resemble a Walt Disney World® character. However, Walt Disney World® music is acceptable if music licensing guidelines are followed.
- E. Routine performance time may not exceed two minutes and fifteen seconds (2:15) and may not be less than one minute and forty-five seconds (1:45).
- F. Each team is required to assign a responsible adult who knows the routine and music to stay at the music station during the team's performance. This representative is responsible for starting the music and stopping the music in case of technical malfunction or injury. Please make sure that all devices are fully charged, placed in airplane mode and the volume is turned up.
- G. The performance floor surface will be a Marley floor with a center line from the front to the back. The performance floor is 53.7 feet wide and 50 feet deep. The Marley floor is comprised of 10 strips, each 5 feet 3.5 inches wide. Each performance floor is on a stage. Each stage measures 60 feet wide and 56 feet deep.
- H. For the safety of all competitors, teams may not alter the performance surface (i.e. use of powder, flakes, rosin, etc.).
- I. Athletes shall use the designated stage entrance and exit areas only. Dancers may not enter and exit the stage during a routine. The use of wings is prohibited.
- J. All center markers are prohibited. All performance surfaces will have the center marked.
- K. Use of fire, noxious gases, live animals and other potentially hazardous, inert elements are strictly prohibited.

II. Performance Behavior

- A. Athletes are expected to exhibit the utmost sportsmanship, respect and support throughout the entire event.
- B. From team introduction, competitors are expected to take the floor within 30 seconds and assume starting position of the routine. At the conclusion of the routine, competitors are expected to exit the performance floor immediately, within 30 seconds.
- C. Actions that exhibit excessive boasting, a delay in competition, poor sportsmanship, unprofessional behavior, etc. may be penalized. All facets of a performance, including choreography and music, should be appropriate and suitable for family viewing.
- D. Athletes with bare midriffs or exposed upper legs (e.g., leotards without shorts) must wear suitable cover-ups, except in the warm-up area, on deck or on stage.
- E. Male-registered dancers must keep torsos covered. Shirtless appearances, unbuttoned shirts with nothing underneath or mesh-only tops are not allowed.
- F. Teams will be assessed a point penalty for exhibiting unsportsmanlike, unprofessional, disrespectful and/or unsupportive behavior. The amount of the penalty will be determined by competition officials.

III. Interruption of Performance

Competition officials reserve the right to interrupt a team's routine at any time deemed necessary and not covered by items A, B, or C.

A. Unforeseen Circumstances

1. If, in the opinion of the competition officials, a team's routine is interrupted because of failure of the competition equipment, facilities, or other factors attributable to the competition rather than the team, the team affected or competition officials may stop the routine.
2. The degree and effect of the interruption will be determined by the competition officials. The competition officials will determine if the team will perform again immediately or be allowed to perform at a later time. If decided by officials, the team will perform the routine again in its entirety, but will be evaluated ONLY from the point where the interruption occurred. The spot in the schedule where the re-performance is to take place is at the sole discretion of competition officials.

B. Fault of Team

1. In the event a team's routine is interrupted because of failure of the team's own equipment and/or music, the team must continue the routine.
2. The degree and effect of the interruption will be determined by the competition officials. The competition officials will determine if the team will perform again immediately or be allowed to perform at a later time. If decided by officials, the team will perform the routine again in its entirety, but will be evaluated ONLY from the point where the interruption occurred. The spot in the schedule where the re-performance is to take place is at the sole discretion of competition officials.

C. Injury

1. Persons that may stop a routine for injury are: competition officials, the club owner/head coach from the team performing, or an injured individual.
2. The competition officials will determine if the team will be allowed to perform at a later time. If the competition officials allow a routine to be performed at a later time, the spot in the schedule where the re-performance is to take place is at the sole discretion of competition officials. The injured athlete that wishes to perform may not return to the competition floor unless:
 - a. The competition officials receive clearance from, first, the medical personnel attending to that athlete, the parent/guardian (if present), AND THEN the head coach/owner of the competing team.
 - b. If medical personnel do not clear the athlete, the athlete can only return to the competition if a parent or legal guardian in attendance signs a return-to-participation waiver.
 - c. In the event of a suspected concussion, the athlete cannot return to perform without clearance from a medical doctor or designated official specifically trained in concussion management, even with a waiver from a parent or legal guardian.

IV. How to Handle Procedural Questions

Any question concerning the rules or procedures of the competition will be received only from one designated representative of the team (coach, director or club owner) and should be directed to a competition official. Such questions should be made prior to the team's performance. Any questions concerning the team's performance should be made to a competition official immediately after the team's performance.

V. Interpretations and Rulings

Any interpretation of any aspect of these rules and regulations or any decision involving any other aspect of the competition will be rendered by the event officials. The event official and judges will render a judgment in an effort to ensure that the competition proceeds in a manner consistent with the general spirit and goals of the competition.

VI. Finality of Decision

By participating in The Dance Worlds, each team agrees that the decisions by the judges will be final and will not be subject for review. Each team acknowledges the necessity for the judges to make prompt and fair decisions in this competition and each team therefore expressly waives any legal, equitable, administrative, or procedural review of such decisions.

VII. Sportsmanship

All athletes agree to conduct themselves in a manner displaying good sportsmanship throughout and following the competition. Club owners and coaches of each team are responsible for seeing that team members, coaches, parents and any other persons affiliated with the team conduct themselves accordingly. Severe cases of unsportsmanlike conduct are grounds for disqualification as explained in this document.

VIII. Deductions and Disqualifications

Any team in violation of USASF and/or IASF Dance Rules will be assessed a penalty between 0.25 and 6.0 points off the final score.

IX. Scores and Rankings

Individual judge's score sheets are for the exclusive use of each particular judge. Each judge has the responsibility and authority to review and submit his or her final scores and rankings prior to the final tally of the scores for all teams. Scores and rankings will be available only to club owners and coaches at the conclusion of the division.

X. In the Event of a Tie

- A. **USASF Senior Divisions** will NOT break ties for teams advancing to the next round or final placements, including Bronze, Silver and Gold. Instead, the placement will reflect the tie. For example, if two teams are tied for 2nd place, the standings will be listed as: 1st, 2nd, 2nd, 3rd.
- B. If **USASF Senior Division** teams are tied when moving on to the next round or the finals, they will perform in the opposite order from their previous round performance.
- C. **IASF Open and Junior Divisions** will NOT break ties for finals placements including bronze, silver and gold.

XI. Music and Limitations

Routine music used at The Dance Worlds must comply with applicable copyright law. At Worlds, all teams must provide proof of licensing. This will be reviewed during roster verification (see page 15). This may include:

- A. proof of purchase from an approved music provider;
- B. if using a single song, receipt from purchase of single song; or
- C. if using an editor (editors do not have to be on the provider list), they must be able to provide you with proof of purchase from a provider and proof of licensing for all sound effects and voiceovers included in the mix.

If you have questions, contact smbate@usasf.net.

XII. Appearances, Endorsements and Publicity

All teams agree to have all appearances, endorsements and publicity approved through the IASF/USASF office.

XIII. USASF/IASF Logo Use

Teams will not be allowed to use the IASF/USASF logo or The Dance Worlds logo on items or apparel including banners, rings, bows, t-shirts, etc.

XIV. Rules

The Dance Worlds follows the most recent versions of the USASF Dance Rules for the Senior Divisions and the IASF Dance Rules for the Open and Junior Divisions. To access USASF rules, go to [USASF Dance Rules](#).

XV. Disney Costume Rule

Teams may not use Disney themes, nor may they have costumes that resemble Disney characters. However, Disney music is acceptable if following the music guideline. See *XI. Music and Limitations*.

Park Reservations

- To help manage park capacity, the Walt Disney World Resort uses the Disney Park Pass service for theme park reservations. To make theme park reservations, you will need a My Disney Experiences account and valid theme park admission linked to it.
- After paying in full, expect a Worlds Registration email with a ticket confirmation order number within three (3) business days. Create a My Disney Experience account, then choose dates and theme parks for your visit. Remember, a reservation and valid admission for the same park on the same date are necessary for park entry.
- Reservations are limited in capacity, subject to availability and are not guaranteed until confirmed.
- Park availability is limited and USASF cannot assist with park reservations.
- Walt Disney World visitors may hop from park to park with no time restrictions. All-day park hopping access is back, allowing guests with valid park hopper tickets to freely visit any of its four theme parks at any time during normal operation hours. However, you still need a theme park reservation for the first park you plan to visit. Once you've visited that park, you can hop to another park anytime during the day without needing an additional reservation.
- IMPORTANT NOTE: The reselling or the transferring of theme park tickets in the state of Florida is a crime as described under Florida state laws; Florida Statutes s. 817.361 and Florida Statutes s. 817.36.

A club bringing multiple teams must designate a different individual for each team.

Agreement of Compliance

In an effort to maintain the integrity and professionalism of The Cheerleading Worlds/The Dance Worlds, USASF/IASF has established a code of conduct. It is our goal to offer a positive event where good sportsmanship is the major theme and all rules are followed. Member event producers fervently encourage and support fairness, integrity and sportsmanship among all athletes in all facets of dance and cheerleading, including, but not limited to team practice and performance. We strive to uphold the highest standards and promote this to the best of our abilities and believe that coaches/club owners are instrumental in promoting and instilling this among their respective team members.

Safety

- I understand that cheerleading and dance are competitive activities, which requires proper training techniques for all athletes under my direction.
- I attest I have been properly trained in basic cheer/dance techniques, proper skill progression and safety precautions.
- I understand it is my ethical duty to put the interest and safety of my athletes first and not to put athletes under my direction at risk unnecessarily.
- I understand that only USASF coaches who meet requirements for eligibility in the USASF member system are permitted in the warm-up areas at The Cheerleading/Dance Worlds.
- I understand that only USASF/IASF member athletes may compete at The Cheerleading Worlds/The Dance Worlds..

Sportsmanship

- I will support The Cheerleading Worlds/The Dance Worlds outcome and represent my club with integrity, including on social media.
- I will display good sportsmanship and require such of my athletes and parents/families of competitors, including on social media.
- I understand my position as a role model for my team and will conduct myself in a professional manner at all times; and I understand that my behavior is subject to disciplinary action if it violates the USASF Code of Conduct.

Hotel, Resort Guidelines

- Smoking and/or the use of alcohol by a World's athlete is prohibited. An athlete in violation of this rule is subject to immediate disciplinary action which may include ineligibility for the current Worlds competition. If the violation occurs after the athlete competes, yet during the event time frame at any Worlds event location the incident will be reviewed by the USASF Compliance Committee and may result in but not limited to restriction of membership or future participation in The Cheerleading Worlds and The Dance Worlds.
- Absolutely NO tape or paint of any kind on any walls, windows or doors. Be sure your team knows to leave the rooms as they find them (including furniture) when they check out.
- Do not prop your doors open.
- Illegal substances are prohibited.
- Travel in groups of two or more.
- Security will walk around at night and will be on patrol at all times. All athletes will have a midnight

curfew and will be asked to show courtesy in keeping noise levels down.

- Buses to the events will load and unload outside your registration location. YOU MUST WEAR YOUR LANYARD TO GET ON THE BUS. Whether in uniform or not, you must have proof of being on a Worlds hotel package to use the buses. We do not recommend that you use Walt Disney World® Resort shuttles to competition venues because they run on Walt Disney World® time and are not set to run with the times of our events or to our venues.
- The hotel and the USASF/IASF will not be responsible for any electronics, trophies, or other items. You will need to take them to the bus with you or store them in the USASF office located at one of the host hotels.
- If a minor loses a room key, they must be accompanied by an adult or coach to receive a new key.
- REQUIRED: Every team must have at least one coach, club owner, or responsible adult for every nine athletes staying at the hotel to supervise their team members.

Walt Disney World® Resort Code of Conduct

While at the hotel

- Please be respectful to those around you, not every guest is on your schedule.
- Disrespectful conduct or behavior such as vulgarity, excessive rowdiness, excessive noise and all other actions that negatively affect other guests or cast members is not permitted.
- During the quiet hours (10pm-8am), guests shall be considerate and refrain from any conduct that could disturb others in the vicinity. Voices, televisions, or other devices must be kept at a respectful low level at all times. Doors should be opened and closed quietly. Congregating or running in halls is not permitted.
- For your safety and the safety of others, please do not engage in any unsafe act or acts that may impede the operation of the resort or any associated facility. Examples include: cutting in lines and leaving laundry unattended in washers/dryers for long periods of time.
- Help keep guest rooms enjoyable for all guests and free from damages. Damages to rooms, paint or excessive cleaning will be charged to the group or group leader. Do not hang items from the sprinklers in the ceiling as this can trigger the sprinklers and cause flooding.

Hotels guarantee 4pm check-in, but may allow early check-in if rooms are available. Check-out is at 11am. Please inform your entire group.

4. How many chaperones do we need?

One club owner/coach or responsible adult (21 years of age or older) for every nine athletes is required.

5. Can we have five people in a room?

No. Disney resorts do not allow more than four people to a room. Rollaway beds are not available.

6. We have an uneven number of athletes. Can we pay the quad rate for three athletes in a room?

No. The travel package prices have been calculated according to how many people are in each room.

7. Can family and friends purchase a Worlds hotel package?

Yes. While many coaches include parents on the hotel package with their teams, we encourage family members and friends to register separately. See the Family & Friends section on page 26.

8. What if we are NOT purchasing a Worlds hotel package?

If NOT purchasing a hotel package, spectators must purchase either a Worlds Park Hopper® ticket or a daily admission ticket/wristband for competition entry. Coaches and athletes NOT purchasing a hotel package, must purchase a commuter package, which includes registration and a Worlds Park Hopper® ticket.
