Completion of the USASF CLUB RELEASE WAIVER is a required process between the primary and secondary club owners. If a formal protest is filed and a fully executed release waiver cannot be produced—either because it was not signed or because the Secondary Club cannot present it as physical proof to a USASF official—the Secondary Club will be deemed ineligible or disqualified, depending on the timing of the protest. All USASF CLUB RELEASE WAIVERS must be made available upon request at The Cheerleading Worlds/The Dance Worlds.
