Agreement of Compliance

REQUIRED: *Bring this signed document to your roster verification appointment/event check in to collect your team's event lanyards.*

In an effort to maintain the integrity and professionalism of The Cheerleading Worlds and The Dance Worlds, USASF and IASF have established a code of conduct. Our goal is to provide a positive event experience grounded in good sportsmanship, fairness, integrity and respect for the rules. These standards extend to all aspects of cheer and dance, including team practices and performances. Coaches and club owners play an important role in setting expectations and promoting these standards among their team members.

HOTEL & RESORT GUIDELINES

Athlete Conduct

- Smoking and/or the use of alcohol by a Worlds athlete is prohibited. An athlete in violation of this rule is subject to immediate disciplinary action which may include ineligibility for the current Worlds competition. If the violation occurs after the athlete competes, yet during the event time frame at any Worlds event location the incident will be reviewed by the USASF Compliance Committee and may result in but not limited to restriction of membership or future participation in The Cheerleading Worlds and The Dance Worlds.
- Illegal substances are prohibited.
- Travel in groups of two or more.
- All athletes have a midnight curfew. Security will patrol the resort throughout the night. Please be courteous to other guests by keeping noise levels down.
- Do not prop your doors open.

Room Decorating

- Tape, paint, chalk pens, adhesive decorations and other materials that may damage or leave residue on walls, windows, doors or other surfaces are prohibited. Magnets for doors and suction cups for windows are recommended instead.
- Furniture may not be removed from rooms or moved between rooms.
- Rooms must be left as they were found, with all furniture in its proper location. Any adhesive or residue remaining after check-out will result in a cleaning fee being applied to the reservation.

Food & Beverage Policy

- Outside food and beverages may not be served in resort food courts. Disney is also unable to provide plates, cups, utensils or other service ware for outside food and beverages.

Hotel Package Guests

- **Transportation:** Buses to Worlds events will load and unload outside your registration location. You must wear your lanyard to board the bus. Whether in uniform or not, you must have proof that you are on a Worlds hotel package to use Worlds transportation. We do not recommend using Walt Disney World® Resort transportation to competition venues, as its schedules are not coordinated with Worlds competition times or venues.
- **Personal Belongings:** The hotel and the USASF/IASF will not be responsible for any electronics, trophies, or other items. You will need to take them to the bus with you or store them in the USASF office located at one of the host hotels.
- **Lost Room Keys:** Minors who lose a room key must be accompanied by an adult or coach to receive a new key.
- **Required Adult Supervision:** Every team must have at least one coach, club owner, or responsible adult for every nine athletes staying at the hotel to supervise their team members.
